In order to drive any of our vehicles you need to be trained to MiDAS Standard (Minibus Driver Awareness Scheme). MiDAS is designed to enhance the driving and passenger awareness skills of individuals who drive minibuses in the course of their work or as volunteers.

Harrow Community Transport is able to train and assess volunteer drivers to MiDAS standard. Once trained your volunteer drivers are able to drive any of our vehicles for your groups use - maybe a trip to the seaside!

Contact us on 020 8427 6619 for training opportunities for your volunteer drivers.

How do I become a member?

Simply contact Harrow CT where our friendly staff will help with any of your membership queries. A small yearly membership fee is payable and upon acceptance, members are immediately eligible to use Harrow CT minibuses.

Who drives the minibus?

Harrow CT encourages member groups and organisations to provide their own drivers. We can help with any questions you may have regarding licence eligibility or training. All drivers must undergo the appropriate assessment/training before being permitted to drive a Harrow CT vehicle. We can provide drivers on most journeys if you do not have your own driver.

Community Car Scheme

Harrow CT runs a community car scheme, which provides transport for those who are able to use non-accessible cars. Transport is provided by volunteers, using their own cars.

An expenses rate of 40p per mile is payable covering mileage from the volunteer's 'home-home'. Please call for more information.

Volunteers

Harrow CT is often asked to provide drivers for member organisations that do not have their own. Harrow CT has a limited number of dedicated volunteer drivers that can be called upon.

If you or someone you know would like to become a minibus driver, or volunteer in some other way, please call: 020 8427 6619 to find out how you could help.

How do I find out more?

Our Membership Application Pack contains full details of our terms & conditions, charges and driver registration. Please call: 020 8427 6619 or email: harrowct@btconnect.com and we will be happy to send you a pack or answer any questions you might have.
